

REMARKS

Attached is a copy of the claims in their current and correct form. The originally filed claims were amended once in a response filed June 30, 2003 (paper #5). No further amendments to the claims have been made since June 30, 2003. The attached copy of claims are a corrected set. Applicant wishes to thank Examiner Lewis for the courtesy of a telephone interview conducted on February 1, 2006, where the content and form for this response was discussed. Applicant believes the instant submission is complete and responds correctly to the Examiner's Action of January 12, 2006.

CONCLUSION

Applicant believes claims 1 - 47 are patentable. Applicant requests withdrawal of all rejections and issuance of claims 1 - 47.

Respectfully submitted,
